

Congratulations to the 2022 Blue Moon Cruiser Scholarship recipients, Elijah Hennon and Emily Gutshall. Students are recommended by their school based on specific criteria. Seniors in an automotive field (mechanical or collision) who will be attending a 2- or 4-year approved school with the highest achievement in academics and co-op experience. Each student will receive a \$1,000.00 scholarship for the 2022-2023 academic year upon the completion of their approved application. Both students received a plaque and are eligible to receive a 2023 Blue Moon Cruiser membership.

Elijah Hennon is a graduate of Cumberland Perry Area Vocational Technical School who will be attending Penn College of Technology for Automotive Technology.

Emily Gutshall is a graduate of Dauphin County Technical School who will be attending the University of Northwest Ohio for Automotive Technology in high performance motorsports. Emily will be the first female to receive the BMC scholarship from her school.

Wishing both students the best in their education and their future careers.
